OFFICE OF THE ISKOLAR NG BATAAN

ACCOMPLISHMENT REPORT

The Office of Iskolar ng Bataan has developed a wide range of programs and projects to improve the well-being of learners in both universities and colleges, ensuring that all students – regardless of background – have the opportunity to be successful. The Office of Iskolar ng Bataan achieved this by consistently emphasizing the significance of educational fairness, encouraging collaboration with various agencies, and generating opportunities.

In 2005, the late Congressman Enrique "Tet" Garcia created the Iskolar ng Bataan Scholarship Program with the goal of creating at least one professional child in every household in the province for productive employment. Since then, the program has assisted thousands of deserving and talented students enrolled in various State Universities and Colleges nationwide. As of School Year 2021-2022, the Iskolar ng Bataan Program has a total of 120, 853 beneficiaries and it grows continuously as shown in the statistical report below.
