------------	--

The Provincial Government of Bataan (PGB) intends to establish a directory of creative workers in the province, which task will be accomplished by the Cultural Heritage Preservation Division (CHPD). This directory will be both beneficial for the PGB and the creative workers of Bataan. Once established, it will provide a ready reference for purposes of developing programs and projects for this sector, as well as for potential clients thereof.

Given this, the Committee recommends the passing of a Resolution as requested, strictly subject to the provisions of Republic Act No. 10173 (Data Privacy Act of 2012) and other relevant laws, rules and regulations.
